Shawn's Piano String Covers

- Hand made from premium wool blend with serged edges to prevent fraying.
- Keeps soundboard and strings clean from dust and debris.
- Unique construction with magnetic cloth covered battens keep the cover from touching the strings or sliding on the plate.
- Easy to install.
- Can be left on at all times, or can easily be removed for special occasions.
- Helps maintain humidity levels of the soundboard and strings when used in conjunction with a climate control system.
- Enhances the life of your piano and helps maintain pitch stability.
- Brush or shake off to remove dust and debris, or may be dry cleaned.

Placement of string cover battens.
